

## **Capital Asset Management Consultant**

GuidewireSI is seeking experienced Capital Asset Management consultants with a proven track record implementing JD Edwards EnterpriseOne Capital Asset Management applications. Accepted candidates will have the skills to provide exceptional consulting services to clients, helping them gain the optimum benefit from their JD Edwards investment. Our culture thrives on creative people who develop innovative approaches to complex problems in a team environment. This position requires 80% travel with projects executed on-site at Guidewire Systems Integrator client locations nationwide with a typical week of four 10-hour days.

### **Desired Skills and Experience**

- A minimum of 3 full life cycle projects that were new installations and/or upgrades with EnterpriseOne 9.0 or later
- Deep knowledge and expertise with EnterpriseOne Capital Asset Maintenance applications including Equipment Work Orders, Equipment Maintenance, Fixed Assets, Purchasing, and Inventory.
- Solid business process requirements analysis and reengineering, module set up and configuration, documentation, ability to spec customizations and reports, and knowledge transfer experience required
- Good understanding of best business practices for maintenance operations, procurement, and inventory management
- Working knowledge of EnterpriseOne data structure and application tables
- Goal oriented with high standards for quality and performance
- Excellent verbal and written communication skills a must
- Supports business development activities
- Experience working in Oil and Gas, Mining, or Agriculture Industry a plus

### **Education and Certification**

- Bachelor's degree (business, accounting, engineering or related field recommended)
- Oracle application certifications a plus

This is a direct position with our consulting practice. GuidewireSI provides excellent salary and benefits. Our offices are located in Denver, CO near the Oracle Tech Center Campus. We are pleased to hire consultants in other areas of the country.

We offer competitive salaries and benefits in an incredible work environment.
