

Oracle Hyperion Planning and PBCS Senior Consultant

GuidewireSI is seeking experienced Hyperion Planning and PBCS consultants with a proven track record implementing Oracle Hyperion Planning Solutions. Accepted candidates will have the skills to provide exceptional consulting services to clients, helping them gain the optimum benefit from their Oracle Cloud investment. Our culture thrives on creative people who develop innovative approaches to complex problems in a team environment. This position requires up to 80% travel with projects with a combination of on-site at GuidewireSI client locations nationwide with a typical week of four 10-hour days or at GuidewireSI office.

Requirements:

- A minimum of 5 full life cycle projects that were new installations of Hyperion Planning or PBCS solutions with 3-7 years related work experience
- Experience with Hyperion planning and PBCS, corporate finance, and accounting processes
- Goal oriented with high standards for quality and performance
- Excellent verbal and written communication skills a must
- Supports business development activities
- Hands-on participation in at least 5 Planning implementation utilizing related tools: Planning Budgeting Cloud Services (PBCS), Hyperion Planning (HP), Hyperion Essbase, Business Rules, Calculation Manager (CM), Essbase Load Rules, Essbase Calculation Scripts, MaxL,, Enterprise Performance Management Architect (EPMA), Financial Reports (FR), SmartView, etc.

Key Duties and Responsibilities:

- Work with clients on scoping specific projects, and then work with the client to produce measurable results
- Must be highly proficient in both functional and technical skills to support implementations
- Assist with designing, building and testing client applications
- Determine information requirements and reporting needs
- Documenting project activities
- Communicate personal and project status to GuidewireSI and Client management
- Become intimately familiar with GuidewireSI's engagement methodology and service offerings

Education and Certification

- Bachelor's degree (business, accounting or finance)
- Preferable to have an MBA in Finance or Accounting
- Oracle Hyperion and PBCS certification is a plus

This is a direct position with our consulting practice. GuidewireSI provides excellent salary and benefits. Our offices are located in Denver, CO near the Oracle Tech Center Campus. We are pleased to hire consultants in other areas of the country. We offer competitive salaries and benefits in an incredible work environment. The Consultant must be self-sufficient and proactive in managing their work, while maintaining appropriate communication and escalation to GuidewireSI management. They should be able to work both independently and as part of a team, and be committed to continuously improving GuidewireSI's operations and profitability.

- Willingness to travel up to 100%, Monday through Thursday
