

Oracle Cloud Financial Consultant

GuidewireSI is seeking experienced Financial consultants with a proven track record implementing Enterprise Cloud Financial Management. Accepted candidates will have the skills to provide exceptional consulting services to clients, helping them gain the optimum benefit from their Oracle Cloud investment. Our culture thrives on creative people who develop innovative approaches to complex problems in a team environment. This position requires 80% travel with projects executed on-site at GuidewireSI client locations nationwide with a typical week of four 10-hour days.

Desired Skills and Experience

- A minimum of 3 full life cycle projects that were new installations of a Financial Management Solution
- Deep knowledge and expertise with Financial Management (GL,AP,AR,FA), Advanced Cost Accounting, Job Cost, and Financial Report Writer applications
- Solid business process requirements analysis and reengineering, module set up and configuration, documentation, ability to spec customizations and reports, and knowledge transfer experience required
- Good understanding of best business practices for accounts payable, accounts receivable, project accounting, and financial management
- Experience with Cloud Financials a plus
- Goal oriented with high standards for quality and performance
- Excellent verbal and written communication skills a must
- Supports business development activities
- Experience working service oriented industries

Education and Certification

- Bachelor's degree (business, accounting, engineering or related field recommended)
- Oracle or Microsoft certifications a plus

This is a direct position with our consulting practice. GuidewireSI provides excellent salary and benefits. Our offices are located in Denver, CO near the Oracle Tech Center Campus. We are pleased to hire consultants in other areas of the country.

We offer competitive salaries and benefits in an incredible work environment.
